

PROPELLER

the ancient, the old, and the new

Just as head chef Kurt Sampson's food draws on both new and old flavours so too does our wine list. From the ancient beginnings of wine making in Georgia, the Caucus Mountains and North African region, from the classic styles of Spain, France, Italy, to the new wave of vinification in our own back yard.

We hope you enjoy making a new discovery just as much as we have enjoyed curating this list for you.

Select wines with this * symbol, are a small selection of chilled reds available by the glass and bottle. Ask your waiter for further information.
